

**Taking Realtime Awareness and Innovation Nationwide**

## Realtime Writing Tips

Click on a hyperlink below to open up the corresponding PDF document. Each of these PDF documents will give you the ability to print, download, and/or share them with others.

The original 2012 content is in the process of being gradually updated. You will always be able to locate the "Revised" date in the bottom right-hand corner of this document and all of the hyperlinked PDF documents below. Subcategories of content for each of these main areas will be added once the content revamp and reorganization is complete. Thank you for your patience!
